

# Halls of Heroes

## Honoring Those Who Served

The Long Island State Veterans Home is a special place that our military veterans are proud to call their home. In an effort to honor them, we invite you to become a sponsor of our Halls of Heroes.

The program is designed to help make our veterans feel more at home by creating customized artwork to hang in our hallways.

Personally selected artwork in a cherry frame (33" x 45") can be purchased for \$375 or a smaller version (25" x 29") for \$275. Each frame holds a brushed brass plaque that can be engraved with three lines of text.

Honor your military veteran with the Halls of Heroes Program.
