LISVH Annual Giving Day

March 27th, 2024

Countdown to #SBUGivingDay 2024!

Giving Day is a 24-hour virtual fundraiser that has raised more than 1 million dollars over the past five years for the SBU community from over 120 academic and clinical areas across campus. This is because of the generosity and active engagement of faculty, staff, volunteers, alumni, and students like you.

Stony Brook University's Annual Giving Day is one of the most successful and collaborative fundraising efforts our campus offers. Members of our diverse and tight-knit community have the opportunity to give back and directly support the areas that matter to them most.

We ask that this year you consider donating to the Long Island State Veterans Home Giving Day Fund: we will be raising funds for a **TOVERTAFEL!**

Tovertafel's interactive games are specifically designed for seniors living with dementia and can be played individually or in a larger group. They are proven to be effective at physical, cognitive, social, and sensory levels. Stimulating movement, social interaction, and moments of happiness.

We utilize our existing Tovertafel on the Reflections Unit daily! This is a wonderful opportunity to support our Home in offering the Tovertafel to all LISVH Residents.

Please consider making your donation on March 27th, 2024.
